

Unified HR and Finance in the Cloud

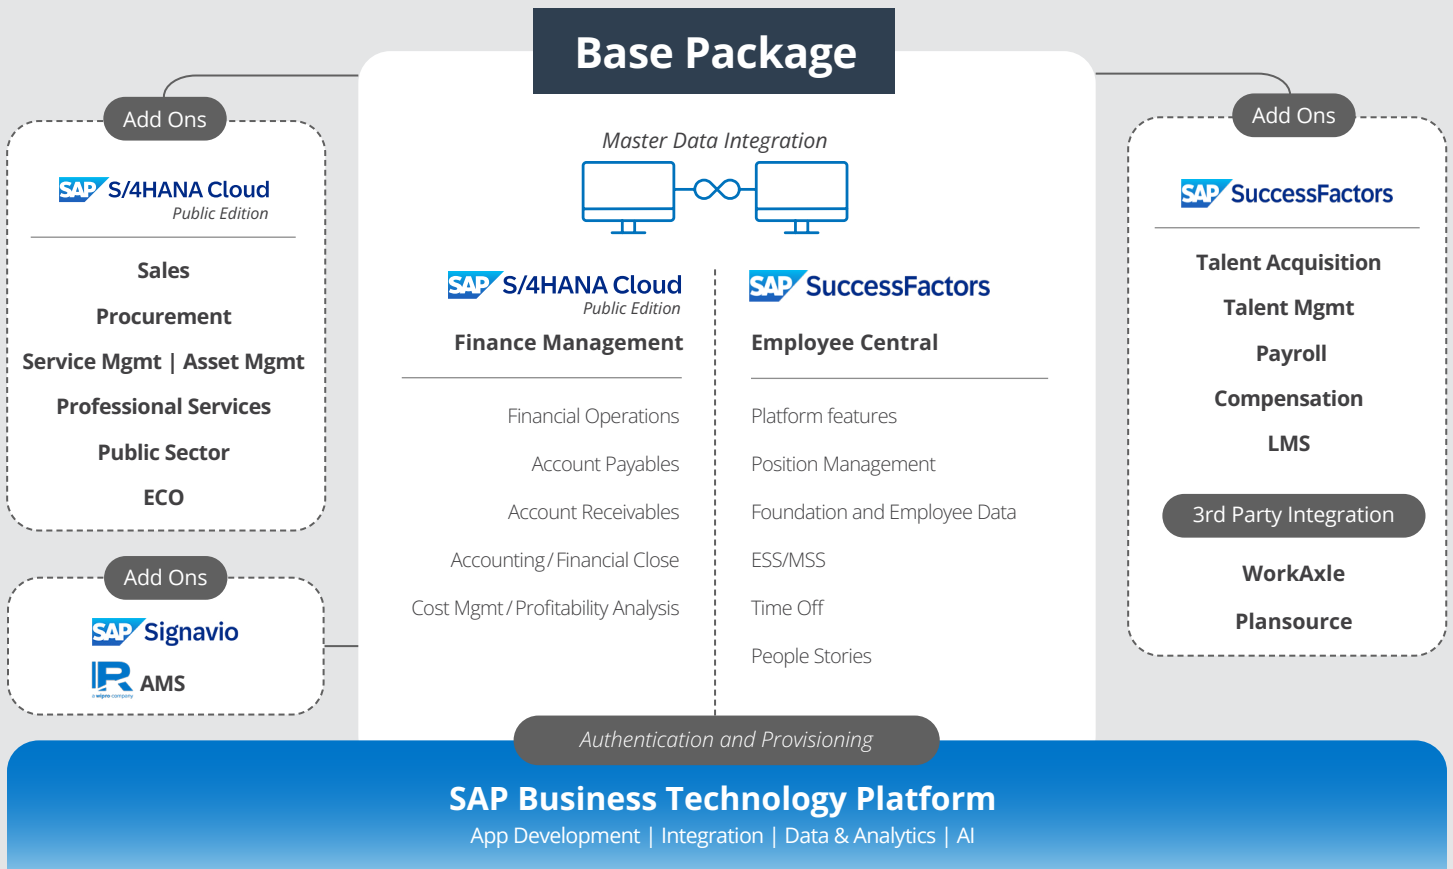

Continuous alignment and insights for HR and Finance Teams
Collaborative Experience for all Employees

Powered by
SAP SuccessFactors® and
SAP S/4HANA® Cloud Public Edition

Jump Start Your Cloud Transformation

Rizing's Scale Smart Cloud – People and Finance+ provides a base package consisting of core functionality for people and finance to establish a foundation with add-ons available to extend immediately or scale when ready.

The solution enables fast-growing companies to rapidly deploy best practices with real-time visibility of employee and financial information. Enables continuous alignment and insights within HR and Finance Teams while ensuring all employees are connected through a collaborative experience. Improves operational efficiency across the organization with faster time-to-value.

Key Benefits and Value Drivers

A foundation for growth

Establish a foundation for growth with people and finance using best-in-class processes. Extend the solution immediately with available add-ons or scale when ready.

Drive operational efficiencies

A single source of truth across people and financial operations, driving efficiencies across the organization. Enhance reporting and decision-making capability with real-time data.

Enhanced productivity via a better user experience

Consistent, engaging experience across the platform enables employees to be more productive and complete tasks effectively and efficiently.

Reduce IT costs

Reduce total cost of ownership, drive standardization and automation to minimize manual processes.

Shorter time-to-value

Rapid implementation cycles with pre-configured processes. Accelerate new functionality and innovation to meet business needs.

Plans and Pricing
